

Shark ADV

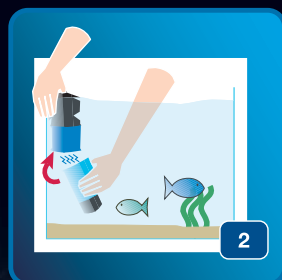

FLEXIBLE, MODULAR and INNOVATIVE Internal Filter.
New improved version includes new accessories
and a 3 YEARS WARRANTY

EASY MODULAR DESIGN

Innovative set with the patented MCS (Modular Connecting System) which allows EASY MAINTENANCE and CLEANING ACTIONS.

The filter is simply taken out of the holder in order to clean, replace parts or fill filter media.

The Modular design means also that the filter volume can be adapted to the aquarium by adding or removing filter elements.

Very easily with "Shark ADV modular cartridge".
